### Tools List (Tools not included)

Electric drill

Tape measure

Silocone

Adjustable wrench

Drill bit

Pencil

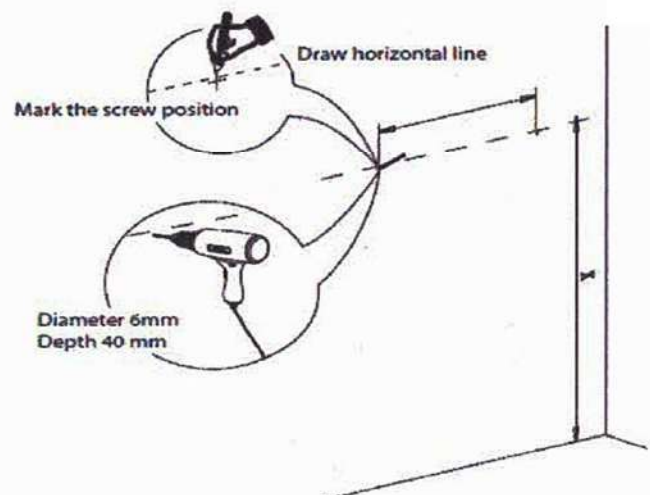

Screwdriver

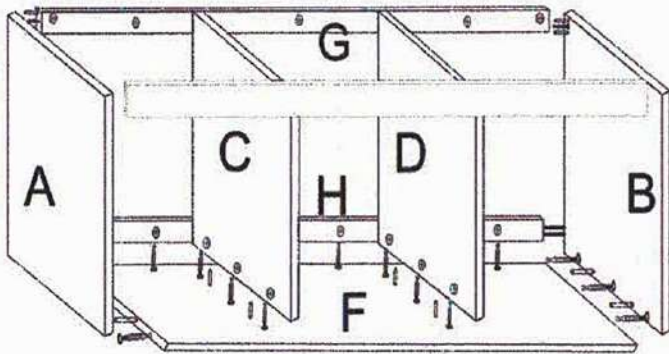

Spirit level

- Mark the position of the screw holes on the wall by measuring the space between the centers of the mounting brackets on the back of the vanity.
- Vertical position (X) is decided by the purchaser - remember to mark low enough to accommodate the sink on the top of the vanity counter or it will be too high when installed. Use a spirit level to ensure the screws holes are horizontal.
